

Indian Pharma Educational Society (IPES)

Ref- IPES/Office/2021/05

Date: 4 April,2021

Regarding Affiliation/accreditation /Collaboration/partnership/associatship for different programs

- We support the Pharma & healthcare scientific community and promote excellence in pharmaceutical science through funding, training and mentoring and other organisational activities.
- The Indian pharma educational Society organized variety of programmes for pharma Fellows to improve skills in pharma practice ,social , welfare, communication, education & research and healthcare.
- We also help develop relationships between pharma students and professional and government and industry to promote better understanding.
- Through education partnerships and networks we support pharma science in education, working to ensure that everyone has the opportunity to appreciate the value of pharmaceutical science and to engage with it.

We would like to express my willingness to serve as a collaborator on your grant application project entitled IPES PHARMA SERVICES In particular, skill based education,practical orientation , career awareness , professional development ,conduction of seminar/event /workshop, availability of educational materials, research& development , entrepreneurship development fellowship , walfare , support to student & institute , admission counseling and training placement with respective department. WE will be able to contribute approximately 100% of my effort to this work, subject to availability of time and resources.

This collaboration is part of my official duties as a federal person of the IPES. I will provide scientific input and mentoring, we would supply requested services and technical expertise not only to you, but also to other interested and qualified parties for educational &research purposes. Approval for this collaboration has been granted by Director or HOD of the institution & president of the orgnisation WE look forward to working with you on this collaboration for student outstanding performance in profession by uptaking of the services in colleges
