

MESSAGE FROM **FOUNDER & PRESIDENT**

We welcome to all students, research scholars, lecturer, professor, scientist and other professionals on the behalf of The Indian pharma educational society . It is indeed a great privilege to be president of the IPES as it embarks on its 1st year. I will serve the IPES to the best of my ability & fulfill all the aims & the objectives of the organization. The help of my council, I will do my best to prove to be their worthy successor.

The IPES will engage with the pharma & medical professionals, ministry of health, ministry of chemical & fertilizer media, the public & all stake holders to carry this program forward. We will also provide advocacy road to ministry of health & advice regarding resource allocation for these important challenges of pharma The Theme I have selected for IPES 2019 is "facing the challenge and forging ahead for better pharma outcomes". It is my fervent hope that most IPES members will actively participate & contribute to achieving the objectives of the organizations. Finally I wish you all a peaceful, happy, healthy & wealthy 2019.

Kindest & Regards
Akhilesh Pratap Mishra
Founder, President
